SUBJECT No. 459.

Establishment of an Annachattram at Koppa.

Mr. Kigga Channakesava Rao of Koppa Taluk.

Summary of discussion.—The matter of establishing an Annachattram at Koppa was brought before the Assembly last year, but the Deputy Commissioner was of opinion that the leading inhabitants of the place had agreed to raise funds and build a rest-house for travellers and that a site had been given them for the purpose. It is true that a site was prayed for some four years ago. Owing to the partial failure of the areca-nut crop, all the leading inhabitants suffered and consequently the proposal was deferred and the fact recorded. It is therefore prayed that an Annachattram at Balagadi, where the public offices are located, may be established by transferring one from elsewhere or instituting a new one.

Reply of Government.—Funds do not permit the establishment of a chattram.
